The venue they have booked this year allows campers to participate in mountain-biking, rock-climbing and high-ropes, activities that many children in their community may not otherwise have the chance to participate in. With this grant they can provide these opportunities without changing the cost of registration.

Love Is Not Abuse is designed to inspire individual and systemic change toward healthier relationships using both real and fictional stories.
- \$3,000 to **Camp Bimini** (St. Pauls, ON) in support of Virtual Camp. The Covid 19 pandemic has forced the camp to be closed for campers this season which made them think of “How do we connect with these children and youth who are missing the camp experience”? Their idea is to use social media for a “virtual camp”. Staff members on site would record camp activities (with less than 5 people until restrictions are lifted) and broadcast this to the families of campers.
